

ERRATA – CABY IRWM PLANNING grant

The administrative match within the budget table on page 33 of the work plan incorrectly showed a zero match for this task. In fact, the match for both governance committees and the consultant on this task was inadvertently included in the match for Task 2.

Therefore, this table should refer the reviewer to the match amount for Task 2 wherever that match is shown in the budget and work plan documents.

Budget

Total funds requested: \$81,860

Match: Included in Task 2, table page36

Match Sources: CABY RWMG Board,
Management Committee, Consultant
